Anchorage - Sylvan Drive Reconstruction

State Funding Requested: \$600,000
One-Time Need**House District:** Anchorage Areawide (17-32)**Brief Project Description:**

This project will reconstruct the drainage system of a well used local road serving a high density residential area. Funding is proposed as a 50/50 partnership of state grants and local road bonds. Design and construction funding is included in the Pavement Rehab and Flooding and Glaciation matching grant programs.

Funding Plan:**Total Cost of Project: \$1,200,000**

	<u>Funding Secured</u>		<u>Other Pending Requests</u>		<u>Anticipated Future Need</u>

Local Funds			\$600,000	2010-2011		
Total			\$600,000			

Detailed Project Description and Justification:

Improvements are expected to focus on drainage improvements. This request will fully fund the project for 2011 or 2012 construction. The road is deteriorating due to flooding and glaciation. This project is a priority for the neighborhood and the Taku/Campbell Community Council. If the full state grant match is not forthcoming in 2010, the match could be provided in phases as noted below:

Design/easements/utilities \$150,000
 Construction \$450,000

Project Timeline:

Design, easement, and utility expenditures are anticipated to occur in 2010 and 2011. Construction spending is anticipated in 2011 and 2012.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:
